The Media Loves Kids & Kindness!

Year after year, The Great Kindness Challenge enjoys robust media attention. From local news to national networks, magazines to newspapers, media loves to showcase the joy of kindness in action.
Who Are We?

We are a global youth empowerment organization.

Founded in 2006, we are a 501(c)3 nonprofit organization that empowers and mobilizes youth to create peace through hands-on service, global friendships and thoughtful acts of kindness.

We are the pioneer of kindness education in schools.

We introduced the very first structured kindness program to schools. In 2011, with bullying on the rise, we recognized a need to create safer and kinder schools. With students’ input, the innovative idea of a challenge emerged, providing every single student an opportunity to co-create a culture of kindness at their school.

We have the credibility and trust of the education industry.

Through our steadfast commitment, contagious enthusiasm and consistency in providing valued resources, we have become a trusted source for educators worldwide.

Recognizing the importance and power of our program, The California Department of Education has officially endorsed The Great Kindness Challenge and actively promotes it.

We ignited a kindness movement that’s 15 million students & 60,000 adult volunteers strong.

Real change happens in movements. Our goal is to transform the world through kindness by bringing The Great Kindness Challenge to all 120K US schools and every country around the globe.

Partnership Examples

**CORPORATE SUPPORT**

Dignity Health’s motto is “Human Kindness Heals”. As a multi-year strategic partner and the presenting sponsor of the GKC, they provided financial support in exchange for unprecedented brand exposure, employee engagement and additional co-branded projects, showcasing to their stakeholders their commitment to fulfilling their mission. A true win-win!

**CORPORATE MATCH**

In 2018, more than 80,000 students raised funds to build playgrounds in hurricane affected communities. Hasbro, through its BE FEARLESS BE KIND philanthropic initiative, matched $100,000 of the funds raised to ensure all playgrounds could become a reality. That’s the way to walk the talk and affiliate your brand with pure grassroots goodness!

**JOINT PROGRAMMING**

Together with the Toy Foundation, we launched a peer-to-peer giving program, The Great Toy Giveaway. Nearly 14k donated toys were lovingly distributed to kids in need at children’s hospitals, homeless shelters, military bases, foster care facilities and more. That’s how you play it forward!

**GIFTS IN KIND**

KIND Snacks provided a KIND bar for every student who participated in our campaign to set a Guinness World Record for the most Kind-Hearted Handprints. We succeeded and 180,000+ students enjoyed the yummy KIND bars. What a great way to award kindness and create a kinder healthier world!

With hands-on volunteer projects, employee fundraising, co-hosted events and even a customized company-wide kindness challenge, ViaSat has been our esteemed partner for the last 6 years - truly being part of the community and connecting their employees to the causes they care about.

**COMMUNITY OUTREACH**

Caring for students’ social and emotional well-being, McGraw-Hill Education has tapped into their community of educators to promote the GKC. They have co-hosted webinars, created videos, written articles and organized twitter chats - clearly demonstrating their commitment to the whole child.

**CAUSE MARKETING**

With a perfectly aligned message, we promoted the delightful “What Does It Mean To Be Kind” book. In exchange, Little Pickle Press donated a percentage of sales. Additionally, all GKC program participants received a free e-book! We love facilitating a targeted promotion that benefits our audience and makes our world a better place!

**MEDIA SUPPORT**

Southard Communications, our PR partner, has helped amplify our impact by executing a successful media plan. When they secured an extraordinary week-long coverage on Good Morning America, we knew we were in the best hands. With their pro-bono work and big hearts, media miracles happen!
2020-2021 Opportunities

10 Year Anniversary of The Great Kindness Challenge
We are gearing up for the 10 year anniversary of The Great Kindness Challenge. We are proud of this decade of kindness and we would love to celebrate with you.

2020-2021 Theme: Kindness Unites
With the current COVID-19 reality and the upcoming election, we are experiencing trying times. This presents a unique opportunity to bring people together and make kindness our unifying force. We will kick off this theme with an epic Guinness World Record event where we will create the longest recycled paper-chain with messages of love and hope for the world.

The Great Kindness Challenge - Virtual Edition
The whole world is adjusting to the COVID-19 pandemic and so are we. As requested by educators, we are creating a new virtual checklist and additional tools to implement The Great Kindness Challenge while at home or social distancing. We are excited for this new opportunity to extend our reach and serve more students, families and their communities.

COVID-19 Response
They asked and we listened! In a recent survey to assess the needs of our educators, 89% requested additional tools to support the social and emotional well-being of their students who are struggling immensely. We have already launched 13 projects to address this need and we will continue to provide resources to help students stay healthy, both socially and emotionally.
